Enclosed are three (3) copies each of our Cost Proposal for glass for nine (9) additional lenses.

STATINTL

Details of submitted
As a result of TWX [] 8299, dated 25 October 1962, and negotiations with [] we are pleased to note that the total costs of procuring, transporting, and inspecting this glass has a total C.P.I.F. value of [] which compares with the TWX not-to-exceed amount of []

STATINTL
STATINTL

Essentially we are procuring thirteen (13) sets of glass plus six (6) additional pieces which we now estimate will allow us to produce nine (9) lenses.

We trust this proposal will meet with your approval.

Very truly yours,
